Dear Mr. Walker,  
I was very interested  
reading the Sunday Post today  
My Mother was Jean Kay Armstrong  
my Grandfather John Armstrong,  
I do know he was from the Borders.  
I have always had the feeling  
Neil Armstrong must be of the  
same family. The name Walker  
has made me more certain, when  
I was quite young I remember  
two cousins of Mother's often staying  
with us, Mary Walker and I  
think Sarah. It may be coincidence
